HIES 2016

CONSIDERATIONS

This sections **gathers** information about the household member's economic activities that were classified as "***2. not in agriculture sector***" in Question 6; and : "***2. Self employed***" or "***3. Employer***" in Question 8.

CONSIDERATIONS

Look back **carefully** to Section 4: Economic Activities, PART A: Activities, Questions 6 and 8.

CONSIDERATIONS

If there are household members with such activities, then section *5* **must** be **completed**.

- Note that one or more household members may participate **in the same "non-agricultural enterprise"**.

CONSIDERATIONS

For example:

- In one household, the wife and the eldest son run a small restaurant where they serve food at lunch time.
- The head of household runs a hardware store with his two children.

CONSIDERATIONS

These are only two examples.

- **In such a case, each** of the household members would have include the same job in Section *4*, Part A:

সেকশন-৪: অর্থনৈতিক কর্মকাণ্ড এবং বেতন-মজুরীভিত্তিক কর্মসংস্থান **Part-A: কর্মকাণ্ডর জন্য)** **4-A**

CONSIDERATIONS

Notes: Industry code for Supermarket is "***52 Retail trade except motor vehicles, motor cycles and repair of personal and household goods.***", and for Restaurant is: "***55: Hotel and restaurants***"
