# The River Nord Trail

The River Nord Trail is flat and easy to cycle on, with plenty to see along the way. Start from **Altenburg**, keeping to the east bank of the river. Go over the bridge at **Altenburg Quay**. This takes you to the **Riverside Valley Park**. Approximately 2 miles from the start you reach the **Sunset Café**. To proceed further you need to continue on the west bank (see map). You then proceed past **The Marshes Nature Reserve**. You can stop to visit the historic port of **Banheim** by catching the little ferry boat across the River Nord. Continue along the trail and enjoy the wildlife area—full of birds—which is on the way to the **River Hotel**. A little further on you reach **Gründorf Castle**. You can now follow a quiet country lane around **Gründorf Castle** grounds. You will see part of the large herd of fallow deer, often at close quarters. This brings you to the end of the trail.
