

*Dear teacher,*

*Thank you for participating in this study.*

*This questionnaire asks for information about:*

- *Background information*
- *Your initial education and professional development*
- *Your school*
- *Teaching practices*

*This information will help illustrate the similarities and differences between groups of teachers in order to better establish the context for students' test results. For example, the information provided may help to establish what effect the availability of resources may have on student achievement – both within and between countries.*

*The questionnaire should be completed by you only. It should take about 30 minutes to complete.*

*If you do not know an answer precisely, your best estimate will be adequate for the purposes of the study.*

*Please note that the forward button used to proceed to the next question is located at the bottom right hand corner of your screen. In some instances you may need to scroll down to the bottom of your screen to access this forward button.*

***Your answers will be combined with answers from other teachers to calculate totals and averages. All information (or responses) you provide may only be used for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law [Education Science Reform Act of 2002 (ESRA 2002), 20 U.S. Code, Section 9573].***

*According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 1850-0755. The time required to complete this information collection is estimated to average 30 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have any suggestions for improving the form, or comments or concerns regarding the accuracy of the time estimate(s) or the status of your individual submission of this form, please write to: Program for International Student Assessment (PISA), National Center for Education Statistics, U.S. Department of Education, 1990 K Street, N.W., Room 8122, Washington, D.C. 20006. O.M.B. No. 1850-0755, Approval Expires 08/31/2016*

## How often do you use the following methods of assessing student learning?

(If you need further explanation of the term “standardized tests,” please use the help button.)

(Please select one response in each row.)

Here, the term standardized tests includes standardized mandatory tests (mandated e.g., by state, district, or other governing authorities) as well as standardized non-mandatory tests (e.g., publicly or commercial available standardized test material). These tests are consistent in design, content, administration and scoring. Results can be compared across students and schools.

**To what extent do you use the following approaches to assign final semester grades to students in 10th grade?**

*(If you need further explanation of the term “standardized tests,” please use the help button.)*

*(Please select one response in each row.)*

Standardized tests are consistent in design, content, administration and scoring. Results can be compared across students and schools. This excludes teacher-developed tests.
