## Section 2. Drugs, Medical Supplies and Vaccines

The information in this section should be provided by the Provincial Pharmacist.

I would like to ask you about drugs, medical supplies or vaccines (not including non-medical items such as bed nets and insecticide) that the Province Health Department (PHD) may have received during calendar years 2003 and 2004.

### First Quarter 2003

Q#	Question	Category/unit	Skips	Value
1.	Did the PHD receive any drugs, medical supplies or vaccines from Central Medical Stores during the <b>first quarter of 2003</b> ?	1=yes 2=no 3=does not know 4=no records are available for this period 9=does not know	=>Q.3 =>Q.3 =>Q.3 =>Q.3	<input type="checkbox"/>
2.	Does the PHD have records of the quantities of drugs, medical supplies and vaccines received from Central Medical Stores during the first quarter of 2003?	1=yes 2=no		<input type="checkbox"/>
3.	Did the PHD receive any drugs, medical supplies or vaccines from any other National Program* during the <b>first quarter of 2003</b> ?  * CMS is considered a National Program	1=yes 2=no 3=does not know 4=no records are available for this period 9=does not know	=>Q.5 =>Q.5 =>Q.5 =>Q.5	<input type="checkbox"/>

7.	Did the PHD receive any drugs, medical supplies or vaccines from NGOs during the <b>first quarter of 2003</b> ?	1=yes 2=no 3=does not know 4=no records are available for this period 9=does not know	=>Q.9 =>Q.9 =>Q.9 =>Q.9	<input type="checkbox"/>

10.	Does the PHD have records of the quantities of drugs, medical supplies and vaccines received from the community during the <b>first quarter of 2003</b> ?	1=yes 2=no		<input type="checkbox"/>

Questions for clarification during pilot:

- 1) We need to have a list of the CMS codes as soon as possible.
- 2) Does the CMS also use a unit code that identifies the form in which drugs and medical supplies are delivered to PHDs and ODs (for example, kits, vials or cartons)? If so, we may want to use those codes.

Based on PHD records, please provide the information requested below for each item received during the **first quarter of 2003**.

Q#	Item	CMS Code	Unit	Quantity	Source
	11. Which drug, medical supply or vaccine was received during the <b>first quarter of 2003</b> ? <i>(Describe each different item, using a separate line for each different item or different form of packaging or for each different organization providing the item)</i>	12. (The CMS codes of items normally sent to the PHD should be entered ahead of time on different lines of this table)	13. How was the item packaged? <i>(Use the following unit codes)</i> 1=kit 2=box or carton 3=bottle 4=individual items  etc.  99=does not know	14. How many of these units were received during the <b>first quarter of 2003</b> ? <i>(Enter the number of units received)</i>  Number  9,999,999=does not know	15. <p>This table will be longer than its present form. It should have as many rows as there are CMS codes for drugs and medical supplies normally sent to PHDs (for example, vaccines). Those CMS codes would be pre-printed in the rows of column 3. In addition, the table should include several rows with blanks in column 3 to accommodate other drugs and medical supplies, duplicate drugs or medical supplies from non-CMS sources, or the same drugs or medical supplies packaged in another way. The column total in the bottom row is used as a check on numbers entered in column 5. This checksum will be especially useful during data entry when errors in entering large numbers are extremely common.</p>

(Similar questions to Q.1-Q.15, i.e., Q.16-Q.120, would be asked for quarters 2-4 in 2003 and quarters 1-4 in 2004.)

Now I would like to ask you some questions about any drugs, medical supplies or vaccines (not including non-medical items such as bed nets and insecticide) that the PHD may have provided to Operational Districts during calendar years 2003 and 2004.

**First Quarter 2003**

Questions for clarification during pilot:

1. PHDs mostly manage vaccines. Does the PHD send vaccines (or other drugs or medical supplies) anywhere besides ODs? (For example, do they sometimes send vaccines directly to the provincial hospital, even though it is part of an OD?)

Based on the PHD's records, please provide the information requested below for each item sent to ODs during the **first quarter of 2003**.

Q#	Item	CMS Code	Destination OD	Unit	Quantity	
	123. Which drug, medical supply or vaccine was sent to an OD during the <b>first quarter of 2003</b> ? <i>(Describe each different item, using a separate line for each different item or for each different form of packaging or for each different OD to which the item was sent.)</i>	124. What is the CMS code for this item? <i>(Enter CMS code clearly in the space below; if no CMS code, enter "NC"; if CMS code not known, enter "NK")</i>	125. To which OD was this item sent? <i>(Write name clearly of the OD to which item was sent. Coder will enter OD codes later)</i>	126. How was the item packaged? <i>(Use the following unit codes)</i> 1=kit 2=box or carton 3=bottle 4=individual item  etc.  99=does not know	127. This table will be much longer than its present form. It is not possible to enter CMS codes ahead of time in this form because each row may refer to a different OD. Question for pilot:

1) It is unclear at this time whether any PHDs or province-level agencies pay the salaries and Chapter 10 allowances of any OD staff (including those of “provincial hospitals”). The expectation is that these salaries are paid by the district treasury in the administrative district in which the OD Office is located (or possibly even by the district treasury in the district in which staff are employed).

Based on the PHD's records, please provide the information requested below about salaries and Chapter 10 allowances of OD staff paid directly by the PHD or by another province-level agency during **the first quarter of 2003**.

Q#	OD name	Value

What is the name of the OD for which staff salaries and Chapter 10 allowances were paid directly by the PHD or by another province-level agency during the <b>first quarter of 2003</b> ? <i>(Write clearly the name of each OD on a separate line below. Coder will enter OD codes later.)</i>	84. (Similar questions to Q.81-Q84, i.e., Q.85-Q.112 would be asked for quarters 2-4 of 2003 and quarters 1-4 of 2004)

Now I would like to ask you about any purchases (procurements) or payments (for example, for utilities) that the PHD or other province-level agency may have made using Chapter 11 or Chapter 13 funds on behalf of individual ODs during calendar years 2003 and 2004. Include all items that the PHD or other province-level agency may have purchased for distribution throughout the province.
