INTRODUCTION TO QUESTIONS G8-17: Now some questions on your personal situation. Please remember that all the information you give me will be treated in the strictest confidence. [The following block of questions (G8 to G17) is routed based on the respondent's main source of personal income, as previously reported in F42a (or F40 for one-person households). Questions with the 'a' suffix are asked to respondents receiving wages or salaries, income from self-employment or from farming; questions with the 'b' suffix are asked to respondents receiving pensions; questions with the 'c' suffix are asked to respondents receiving unemployment/redundancy benefit or other social benefits or grants.] [Countries can include any subset of the 3 categories below] NOTE ON ADMINISTRATION OF G8a The set of country-specific categories that are listed in the 'Consultation outcomes' for Justice and Fairness on the ESS9 NC Intranet should be made available to interviewers. In countries where two or more categories are relevant, G8a should be asked to all respondents. In countries where only one category is relevant, G8a should be skipped and the pre-selected frequency of pay should be included at G9a, G11a, G15a and G16a.
