HOW TO FILL OUT THIS QUESTIONNAIRE

1. To answer most of the questions you only need to **tick a box**. Please tick the box which is **closest** to your view—there are no right or wrong answers. We just want your opinions. Here is an example.

Do you think the government should spend more or less on education?

- | | | |
|-------------------------|-------------------------------------|-----|
| Spend more on education | <input checked="" type="checkbox"/> | (1) |
| Spend less on education | <input type="checkbox"/> | (2) |
| Can't choose | <input type="checkbox"/> | (9) |

If you think the government should spend more on education, you would tick the first box as shown.

2. Sometimes you are asked to write in an answer — in that case, simply put your answer in the space provided.

How long have you lived in this area?

Number of years

3. ⓘ Sometimes additional information that will help you answer the question will appear next to this symbol.

*Please read each question carefully. Remember, there are no right or wrong answers—we just want to know **your own** personal opinions.*

World Values Survey

This questionnaire is part of a global study of what people value in life. The participants of this study come from samples representing most of the world's people. The questions are designed to ask your views on a number of different subjects. Your input will be treated strictly confidential but will contribute to a better understanding of what people all over the world believe and want out of life.
