Good afternoon (evening)!

My name is _____ and I am an interviewer for the Independent Sociological and Information Service “OPINIA”. We are conducting a sociological study regarding the values of people in the framework of the project “World Values Survey”, which is carried out annually in several countries of the world. Your answers will contribute to a better understanding of the things that people want in life. You were chosen randomly, like in a lottery. You may be sure of the confidentiality of your answers. During data processing and analysis they will be used only in form of synthesis together with the answers of other participants in the survey.

Thank you in advance for your collaboration!
