How would you place your views on this scale? 1 means you agree completely with the statement on the left; 10 means you agree completely with the statement on the right; and if your views fall somewhere in between, you can choose any number in between.: "People can only get rich at the expense of others" vs. "Wealth can grow so there's enough for everyone"

Uruguay 2011(N=1000)

Ahora me gustaría que me indicara sus puntos de vista sobre distintos temas. ¿Cómo colocaría sus puntos de vista en esta escala? 1 significa que usted está de acuerdo completamente con la frase a la izquierda. 10 significa que usted está completamente de acuerdo con la frase de la derecha; y si su manera de pensar está entre las dos, puede usted escoger cualquier número en medio.

Las personas sólo pueden acumular riqueza a expensas de otros
