INTRODUCTION: Hello, I am from Ipsos, a leading market research company. We are carrying out a global study of what people value in life. This study will interview samples representing most of the world's people. Your name has been selected at random as part of a representative sample of the South African public. I'd like to ask your views on a number of different subjects. Your input will be treated confidentially and it will contribute to a better understanding of what people all over the world believe and want out of life.
