INTRODUCTION

Good morning/afternoon/evening. My name is I work for an independent market research company called TNSRMS Ghana Limited. We are carrying out a global study of what people value in life. This study will interview samples representing most of the world's people. Your name has been selected at random as part of a representative sample of the people in _____ Ghana. I'd like to ask your views on a number of different subjects. Your input will be treated strictly confidential but it will contribute to a better understanding of what people all over the world believe and want out of life.
