

Exit survey

1. Which of the Supervia cars do you usually ride during your usual rush hour commute?
 1. I always ride in the reserved space
 2. I mostly ride in the reserved space
 3. I ride on either about half the time
 4. I mostly ride in the public space
 5. I always ride in the public space
2. Which of the Supervia cars do you prefer to ride during your usual rush hour commute?
 1. I strongly prefer to ride in the reserved space
 2. I prefer to ride in the reserved space
 3. I have no preference between the two
 4. I prefer to ride in the public space
 5. I strongly prefer to ride in the public space
3. How often do you take the mixed car while you had preferred to take the women-only car?
 1. Never
 2. Around 25% of my rides
 3. Around half of my rides
 4. Around 75% of my rides
 5. Always
4. How often do you take the women's-only car while you had preferred to take the mixed car?
 1. Never
 2. Around 25% of my rides
 3. Around half of my rides
 4. Around 75% of my rides
 5. Always
5. When you were riding for Premise and the payment was the same between the two rides, did you:
 1. Choose reserved space more often when riding for Premise than you would normally
 2. Choose public space more often when riding for Premise than you would normally
 3. Make about the same choices as you would normally (if a or b) Why?_____

Introduction to questions 6-10: Imagine that you were taking a ride during your usual rush hour commute. Please imagine: i) you are offered to buy either a ticket for the public or reserved space, ii) you can only ride in the space you bought the ticket for, and iii) the enforcement of the women's-only rule is the same as normal.

Answer options for questions 6-17: i) Always ride in public space; ii) Mostly ride in public space; iii) Sometimes ride in public space, sometimes ride in reserved space; iv) Mostly ride in reserved space; v) Always ride in reserved space.

6. Which space would you prefer to ride given these options:
 - Option 1: You pay 5.00 reais for a ticket on the public space
 - Option 2: You pay 5.00 reais for a ticket on the reserved space
7. Which space would you prefer to ride given these options:
 - Option 1: You are paid 5.00 reais for a ticket on the public space
 - Option 2: You are paid 5.10 reais for a ticket on the reserved space
8. Which space would you prefer to ride given these options:
 - Option 1: You pay 5.00 reais for a ticket on the public space
 - Option 2: You pay 5.15 reais for a ticket on the reserved space
9. Which space would you prefer to ride given these options:
 - Option 1: You pay 5.00 reais for a ticket on the public space
 - Option 2: You pay 5.30 reais for a ticket on the reserved space
10. Which space would you prefer to ride given these options:
 - Option 1: You pay 5.00 reais for a ticket on the public space
 - Option 2: You pay 5.65 reais for a ticket on the reserved space

Introduction to questions 11-12: Imagine that you were taking a ride during your usual rush hour commute. Please imagine: i) you are paid to ride the Supervia and collect data on your experience on either the mixed or reserved space, ii) you have to select which space to take prior to boarding, and iii) the enforcement of the women's-only rule is the same as normal.

11. Which space would you prefer to ride given these options:
 - Option 1: You are paid 5.00 reais to ride the public space
 - Option 2: You are paid 5.30 reais to ride the reserved space
12. Which space would you prefer to ride given these options:
 - Option 1: You are paid 15.00 reais to ride the public space
 - Option 2: You are paid 15.30 reais to ride the reserved space
13. Now imagine that the authorities were able to enforce the women's-only rule 100% of the time, meaning that they are able to make sure no men ride in the women's-only car; in that case, which of the cars would you prefer to ride?
 1. I would strongly prefer to ride the reserved space
 2. I would prefer to ride the reserved space
 3. I would have no preference between the two
 4. I would prefer to ride the public space
 5. I would strongly prefer to ride the reserved space

Introduction to questions 14-17 Imagine that you were taking a ride during your usual rush hour commute. Please imagine: i) you are offered to buy either a ticket for the public space or reserved space, ii) you can only ride the car you bought the ticket for, and iii) the authorities were able to enforce the women's-only rule 100% of the time (no men in feminine cars).

14. Which space would you prefer to ride given these options:

- Option 1: You pay 5.00 reais for a ticket on the public space
 - Option 2: You pay 5.00 reais for a ticket on the reserved space
15. Which space would you prefer to ride given these options:
- Option 1: You are paid 5.00 reais for a ticket on the public space
 - Option 2: You are paid 5.10 reais for a ticket on the reserved space
16. Which space would you prefer to ride given these options:
- Option 1: You pay 5.00 reais for a ticket on the public space
 - Option 2: You pay 5.30 reais for a ticket on the reserved space
17. Which space would you prefer to ride given these options:
- Option 1: You pay 5.00 reais for a ticket on the public space
 - Option 2: You pay 5.65 reais for a ticket on the reserved space
18. What do you think are the advantages of the reserved space? (*Open-ended*)
19. What do you think are the disadvantages of the reserved space? (*Open-ended*)

Introduction to questions 20-25 Imagine a woman similar to you who rides the supervia every day to work on the same commuting route as yours on the public space.

20. What do you think is the chance that inside the train a man would make unwanted sexual comments to her at some point during a year of commuting, while traveling in the mixed car?
1. ___ percent
 2. I don't feel comfortable answering this question
21. How often do you think a man would make unwanted sexual comments during a year of commuting, while traveling in the public space?
1. Never
 2. Less than once a year
 3. Once a year
 4. Multiple times a year, but less than once a month
 5. 1-2 times a month
 6. Once a week
 7. Several times a week
 8. I don't feel comfortable answering this question
22. What do you think is the chance that inside the train a man would touch her against her will / grope her at some point during a year of commuting, while traveling in the mixed car??
1. ___ percent
 2. I don't feel comfortable answering this question
23. How often do you think a man would touch her against her will / grope her at some point during a year of commuting, while traveling in the public space?
1. Never
 2. Less than once a year
 3. Once a year
 4. Multiple times a year, but less than once a month
 5. 1-2 times a month
 6. Once a week
 7. Several times a week
 8. I don't feel comfortable answering this question
24. What do you think is the chance that inside the train someone would rob her at some point during a year of commuting, while traveling in the public space?
1. ___ percent
 2. I don't feel comfortable answering this question
25. How often do you think someone would rob her at some point during a year of commuting?
1. Never
 2. Less than once a year
 3. Once a year
 4. Multiple times a year, but less than once a month
 5. 1-2 times a month
 6. Once a week
 7. Several times a week
 8. I don't feel comfortable answering this question

Introduction to questions 26-31 Now Imagine a woman similar to you who rides the supervia every day to work on the same commuting route as yours on the reserved space.

26. What do you think is the chance that inside the train a man would make unwanted sexual comments to her at some point during a year of commuting, while traveling in the reserved space?
1. ___ percent
 2. I don't feel comfortable answering this question
27. How often do you think a man would make unwanted sexual comments during a year of commuting, while traveling in the reserved space?
1. Never
 2. Less than once a year
 3. Once a year
 4. Multiple times a year, but less than once a month
 5. 1-2 times a month
 6. Once a week
 7. Several times a week
 8. I don't feel comfortable answering this question
28. What do you think is the chance that inside the train a man would touch her against her will / grope her at some point during a year of commuting, while

traveling in the women's-only car?

1. ___ percent
2. I don't feel comfortable answering this question

29. How often do you think a man would touch her against her will / grope her at some point during a year of commuting, while traveling in the women's-only car?

1. Never
2. Less than once a year
3. Once a year
4. Multiple times a year, but less than once a month
5. 1-2 times a month
6. Once a week
7. Several times a week
8. I don't feel comfortable answering this question

30. What do you think is the chance that inside the train someone would rob her at some point during a year of commuting, while traveling in the women's-only car?

1. ___ percent
2. I don't feel comfortable answering this question

31. How often do you think someone would rob her at some point during a year of commuting, while traveling in the reserved space?

1. Never
2. Less than once a year
3. Once a year
4. Multiple times a year, but less than once a month
5. 1-2 times a month
6. Once a week
7. Several times a week
8. I don't feel comfortable answering this question

32. What kinds of men ride the reserved space? (*Open-ended*)

33. What kinds of women choose to ride the reserved space? (*Open-ended*)

34. What kinds of women choose to ride the reserved space? (*Open-ended*)

35. How did you hear about Premise?

1. Flyer
2. Facebook
3. From a friend offline
4. Other, specify
