CONSENT FORM

<i>My name is ____ and I am working as a survey assistant with an NGO called Innovations for Poverty Action and with Yale University, a big school in America.</i>	
<i>We are doing small fine work to know the impact of a Landmine Action agricultural training project that is going to be happening soon with some people from this community.</i>	
<i>We want ask you many small small questions, and your answers will help us understand what the good things about this agricultural training program, and what things we can make better in the future.</i>	
If you are not interested in the Landmine Action program anymore, you can tell us and we will stop the survey and you will not go to the program. Are you still interested in the Landmine Action agricultural training program?	
<input type="checkbox"/> Yes	<input type="checkbox"/> No
<i>If no: EXPLAIN THAT WE WILL STOP THE SURVEY NOW AND THAT THE RESPONDENT WILL NOT BE ABLE TO TAKE PART IN THE PROGRAM. ON THE TRACKING SHEET, CHECK THE BOX THAT SAYS "RESPONDENT IS NO LONGER INTERESTED IN LANDMINE ACTION PROGRAM." THEN END SURVEY.</i>	
Now now, are you at least 18 years old? [If yes, skip next 5 questions]	
<input type="checkbox"/> Yes	<input type="checkbox"/> No
If no: Do you live with your parents or some other person that takes care of you?	
<input type="checkbox"/> Yes	<input type="checkbox"/> No
If yes: Is that person home now so I can ask them some small small question? [If yes, skip next 2 questions]	
<input type="checkbox"/> Yes	<input type="checkbox"/> No

<p>If no: Are you your own adult, so I can ask these questions to you? [If yes, skip next 2 questions]</p> <table border="1"> <tr> <td>Yes</td> <td>No</td> </tr> </table>		Yes	No
Yes	No		
<p><i>If no: I'm sorry, you must be at least 18 years old for me to ask you these questions. If later there is some adult that takes care of you that I can talk to, maybe we can ask you some questions then.</i></p>			
<p><i>I need to ask that person if it is OK for me to talk to you. This is very very important. If they are home now, you can tell them to come so I can ask them small small question. READ CONSENT FORM TO PARENT AND CHILD TOGETHER.</i></p>			
<p><i>We want ask you small small questions about yourself, the book you know, the work you doing in your town, the way you work with other people here and your ideas on some other things in this town.</i></p>			
<p><i>We will ask you plenty questions that can make somebody feel good and bad but this one now is part of the work we came to do in your town.</i></p>			
<p><i>Some questions that can make people feel bad. For example, some of the things you see and go through during the war or in your family or town, like you see somebody being killed.</i></p>			
<p><i>We will also ask questions about how you feel about the big big people in your community and questions asking you to tell us any palava with your family or your neighbors.</i></p>			
<p><i>Some of the people we talk to will be asked later if they want to take part in a Landmine Action agricultural training. We will choose these people by lucky ticket.</i></p>			
<p><i>By answering our questions, you can go for the lucky ticket and you can have chance to be part of the training. The training is only for agriculture, and also some reading and numbers. The training is not for mechanics or tailoring or any other thing.</i></p>			
<p><i>I want you to know that we not giving nothing like cash or any other small small thing for answering our questions. Just you can have a chance in the lucky ticket. The things you tell us today will not change your chances in the lucky ticket in any way.</i></p>			
<p><i>So please feel free and tell us the truth about every question because this one will not make Landmine Action take you or not. Your answers are just to help us understand the impact of the agricultural training program.</i></p>			
<p><i>If you are selected to take part in the program, that one is for the lucky ticket to decide. We will not give special treatment to anyone because of the things they tell us.</i></p>			
<p><i>You have a 45 percent chance of being selected in the lucky ticket. If you are not selected, you will have to wait one year before you can take part in the lucky ticket again.</i></p>			
<p><i>Some people may be selected for the program without going to the lucky ticket. That one is for Landmine Action to decide. Your answers will not change whether or not you are picked as one of these people.</i></p>			
<p><i>So we just want you to tell us the truth about everything we ask if you can do it. Your answers are very very important because they will help us make the agricultural training program better in the future.</i></p>			
<p><i>Everything you say will stay between us (you, our workers and our researchers), not even Landmine Action will get the news. Is not because of the thing you say that will make Landmine Action take you for the training or not.</i></p>			
<p><i>However, the thing we know and feel might be bad or danger for you and somebody, like being hurt or other serious thing, we will not keep that one. We will tell the necessary authority who can take care of that and help with that.</i></p>			
<p><i>No force in this survey. If you want to talk, or not, that is ok. No punishment in that one and no one will say this town will not benefit from the work. If you don't want to talk, you can still take part in the lucky ticket.</i></p>			
<p><i>If you have any questions about the thing we say or something in your heart that you want us to hear, you can contact our local big men with the contact information provided here. [PROVIDE HANDOUT]</i></p>			

This paper also has some information about the lucky ticket, so you should be careful to save it.

If you want say something that hold your heart and our workers are not around to hear you, please tell the government people, Ministry of Internal Affairs or your big man/Town Chief.
