SURVEY ID NUMBER
PAN_2018_GSHS_v01_M

TITLE
Global School-Based Student Health Survey 2018

COUNTRY

Name	Country code
Panama	PAN

STUDY TYPE
Other Household Survey [hh/oth]

SERIES INFORMATION
This is the first GSHS conducted by Panama.

ABSTRACT
The GSHS is a school-based survey which uses a self-administered questionnaire to obtain data on young people's health behaviour and protective factors related to the leading causes of morbidity and mortality among children and adults worldwide.

KIND OF DATA
Sample survey data [ssd]

UNIT OF ANALYSIS
Individuals

Version

VERSION DESCRIPTION
Public-use dataset

Scope

NOTES
The following core modules were included in the survey:

- alcohol use
- dietary behaviours
- drug use
- hygiene
- mental health
- physical activity
- protective factors
- sexual behaviours
- tobacco use
- violence and unintentional injury

TOPICS

Sampling

SAMPLING PROCEDURE

The 2018 Panama GSHS was a school-based survey of students in Eighth - Twelfth grades, which are typically attended by students aged 13-17. A two-stage cluster sample design was used to produce data representative of all students in Eighth - Twelfth grades in Panama. At the first stage, schools were selected with probability proportional to enrollment size. At the second stage, classes were randomly selected and all students in selected classes were eligible to participate.

RESPONSE RATE

The school response rate was 91%, the student response rate was 78%, and the overall response rate was 71%. A total of 2,948 students participated in the survey.

WEIGHTING

The weighting formula used is:

$$W=W1 * W2 * f1 * f2 * f3.$$

The list below shows what each variable in the formula represents.

W1 - The inverse of the probability of selecting each school

W2 - The inverse of the probability of selecting each classroom

f1 - A school-level non response adjustment factor

f2 - A student-level non response adjustment factor calculated by classroom

f3 - A post stratification adjustment factor calculated by sex within grade

self-administered

questionnaires

QUESTIONNAIRES

The following core modules were included in the survey:

- alcohol use
- dietary behaviours
- drug use
- hygiene
- mental health
- physical activity
- protective factors
- sexual behaviours
- tobacco use
- violence and unintentional injury

data_processing

DATA EDITING

All data processing (scanning, cleaning, editing, and weighting) was conducted at the US Centers for Disease Control.

Access policy

CONTACTS

Name	Affiliation	Email	URL
NCD Surveillance Team	World Health Organization	ncdmonitoring@who.int	Link

ACCESS CONDITIONS

The user undertakes:

- (1) to acknowledge the data source.
- (2) to share any planned publications with WHO prior to publication.
- (3) to offer co-authorship of any reports or publications using the survey results to the coordinator of the survey.
- (4) to use the data for non-commercial, not-for-profit public health purposes only.

CITATION REQUIREMENTS

Publications based on GSHS data should use the following acknowledgement:

"This paper uses data from the Global School-Based Student Health Survey (GSHS). GSHS is supported by the World Health Organization and the US Centers for Disease Control and Prevention."

Disclaimer and copyrights

DISCLAIMER

The data is being distributed without warranty of any kind. The responsibility for the use of the data lies with the user. In no event shall the World Health Organization be liable for damages arising from its use.

ID	Name	Label	Question
V1	site	site	
V2	record	record	
V3	q1	Custom Age	How old are you?
V4	q2	Sex	What is your sex?
V5	q3	In what grade are you	In what grade/class/ standard are you? COUNTRY SPECIFIC RESPONSE OPTIONS
V6	q4	How tall are you	How tall are you without your shoes on? ON THE ANSWER SHEET, WRITE YOUR HEIGHT IN THE SHADED BOXES AT THE TOP OF THE GRID. THEN FILL IN THE OVAL BELOW EACH NUMBER.
V7	q5	How much do you weigh	How much do you weigh without your shoes on? ON THE ANSWER SHEET, WRITE YOUR WEIGHT IN THE SHADED BOXES AT THE TOP OF THE GRID. THEN FILL IN THE OVAL BELOW EACH NUMBER.
V8	q6	How often went hungry	During the past 30 days, how often did you go hungry because there was not enough food in your home?
V9	q10	Fast food eating	During the past 7 days, on how many days did you eat food from a fast food restaurant, such as COUNTRY SPECIFIC EXAMPLES?
V10	q11	Tooth brushing	During the past 30 days, how many times per day did you usually clean or brush your teeth?
V11	q12	Hand washing before eating	During the past 30 days, how often did you wash your hands before eating?
V12	q13	Hand washing after toilet	During the past 30 days, how often did you wash your hands after using the toilet or latrine?
V13	q14	Hand washing with soap	During the past 30 days, how often did you use soap when washing your hands?
V14	q15	Physically attacked	During the past 12 months, how many times were you physically attacked?
V15	q16	Physical fighting	During the past 12 months, how many times were you in a physical fight?
V16	q17	Seriously injured	During the past 12 months, how many times were you seriously injured?
V17	q18	Serious injury type	During the past 12 months, what was the most serious injury that happened to you?
V18	q19	Serious injury cause	During the past 12 months, what was the major cause of the most serious injury that happened to you?
V19	q22	Felt lonely	During the past 12 months, how often have you felt lonely?
V20	q23	Could not sleep	During the past 12 months, how often have you been so worried about something that you could not sleep at night?
V21	q24	Considered suicide	During the past 12 months, did you ever seriously consider attempting suicide?
V22	q25	Made a suicide plan	During the past 12 months, did you make a plan about how you would attempt suicide?
V23	q26	Attempted suicide	During the past 12 months, how many times did you actually attempt suicide?
V24	q27	Close friends	How many close friends do you have?
V25	q28	Initiation of cigarette use	How old were you when you first tried a cigarette?

ID	Name	Label	Question
V26	q29	Current cigarette use	During the past 30 days, on how many days did you smoke cigarettes?
V27	q30	Other tobacco use	During the past 30 days, on how many days did you use any tobacco products other than cigarettes, such as COUNTRY SPECIFIC EXAMPLES?
V28	q31	Smoking cessation	During the past 12 months, have you ever tried to stop smoking cigarettes?
V29	q32	Smoking in their presence	During the past 7 days, on how many days have people smoked in your presence?
V30	q33	Parental tobacco use	Which of your parents or guardians use any form of tobacco?
V31	q34	Initiation of alcohol use	How old were you when you had your first drink of alcohol other than a few sips?
V32	q35	Current alcohol use	During the past 30 days, on how many days did you have at least one drink containing alcohol?
V33	q36	Number of drinks	During the past 30 days, on the days you drank alcohol, how many drinks did you usually drink per day?
V34	q37	Source of alcohol	During the past 30 days, how did you usually get the alcohol you drank? SELECT ONLY ONE RESPONSE.
V35	q38	Really drunk	During your life, how many times did you drink so much alcohol that you were really drunk?
V36	q39	Trouble from drinking	During your life, how many times have you got into trouble with your family or friends, missed school, or got into fights, as a result of drinking alcohol?
V37	q40	Initiation of drug use	How old were you when you first used drugs?
V38	q41	Ever marijuana use	During your life, how many times have you used marijuana (also called COUNTRY SPECIFIC SLANG TERMS FOR MARIJUANA)?
V39	q42	Current marijuana use	During the past 30 days, how many times have you used marijuana (also called COUNTRY SPECIFIC SLANG TERMS FOR MARIJUANA)?
V40	q43	Amphetamine or methamphetamine use	During your life, how many times have you used amphetamines or methamphetamines (also called COUNTRY SPECIFIC SLANG TERMS FOR AMPHETAMINES AND METHAMPHETAMINES)?
V41	q44	Ever sexual intercourse	Have you ever had sexual intercourse?
V42	q45	Age first had sex	How old were you when you had sexual intercourse for the first time?
V43	q46	Number of sex partners	During your life, with how many people have you had sexual intercourse?
V44	q47	Condom use	The last time you had sexual intercourse, did you or your partner use a condom or [COUNTRY SPECIFIC SLANG TERM FOR CONDOM]?
V45	q48	Birth control used	The last time you had sexual intercourse, did you or your partner use any other method of birth control, such as withdrawal, rhythm (safe time), birth control pills, or any other method to prevent pregnancy?
V46	q49	Physical activity past 7 days	During the past 7 days, on how many days were you physically active for a total of at least 60 minutes per day? ADD UP ALL THE TIME YOU SPENT IN ANY KIND OF PHYSICAL ACTIVITY EACH DAY.
V47	q50	Walk or bike to school	During the past 7 days, on how many days did you walk or ride a bicycle to or from school?
V48	q51	PE attendance	During this school year, on how many days did you go to physical education (PE) class each week?
V49	q52	Sitting activities	How much time do you spend during a typical or usual day sitting and watching television, playing computer games, talking with friends, or doing other sitting activities, such as COUNTRY SPECIFIC EXAMPLES?
V50	q53	Miss school no permission	During the past 30 days, on how many days did you miss classes or school without permission?

ID	Name	Label	Question
V51	q54	Other students kind and helpful	During the past 30 days, how often were most of the students in your school kind and helpful?
V52	q55	Parents check homework	During the past 30 days, how often did your parents or guardians check to see if your homework was done?
V53	q56	Parents understand problems	During the past 30 days, how often did your parents or guardians understand your problems and worries?
V54	q57	Parents know about free time	During the past 30 days, how often did your parents or guardians really know what you were doing with your free time?
V55	q58	Parents go through their things	During the past 30 days, how often did your parents or guardians go through your things without your approval?
V56	q61	Fruit consumption past 7 days	During the past 7 days, how many times did you eat fruit, such as COUNTRY SPECIFIC EXAMPLES?
V57	q62	Vegetable consumption past 7 days	During the past 7 days, how many times did you eat vegetables, such as COUNTRY SPECIFIC EXAMPLES?
V58	q63	Soft drink consumption past 7 days	During the past 7 days, how many times did you drink a can, bottle or glass of a carbonated soft drink, such as COUNTRY SPECIFIC EXAMPLES?
V59	q65	Bullied at school in past 12 mos	During the past 12 months, have you ever been bullied on school property?
V60	q66	Bullied not at school in past 12 months	During the past 12 months, have you ever been bullied when you were not on school property?
V61	q67	Cyber bullied	During the past 12 months, have you ever been cyber bullied?
V62	qn6	Went hungry most of time or always	Percentage of students who most of the time or always went hungry (because there was not enough food in their home during the 30 days before the survey)
V63	qn10	Did not eat food from a fast food restaurant	Percentage of students who did not eat food from a fast food restaurant (during the 7 days before the survey)
V64	qn11	Usually cleaned or brushed their teeth	
V65	qn12	Never or rarely washed their hands before eating	
V66	qn13	Never or rarely washed their hands after using the toilet or latrine	
V67	qn14	Never or rarely used soap when washing their hands	
V68	qn15	Were physically attacked	Percentage of students who were physically attacked (one or more times during the 12 months before the survey)
V69	qn16	Were in a physical fight	Percentage of students who were in a physical fight (one or more times during the 12 months before the survey)
V70	qn17	Were seriously injured	Percentage of students who were seriously injured (one or more times during the 12 months before the survey)
V71	qn18	Reported that their most serious injury was a broken bone or dislocated joint	Percentage of students who reported that their most serious injury was a broken bone or dislocated joint (among students who were seriously injured during the 12 months before the survey)
V72	qn19	Reported that their most serious injury was caused by a motor vehicle accident or being hit by a motor vehicle	Percentage of students who reported that their most serious injury was caused by a motor vehicle accident or being hit by a motor vehicle (among students who were seriously injured during the 12 months before the survey)
V73	qn22	Most of the time or always felt lonely	Percentage of students who most of the time or always felt lonely (during the 12 months before the survey)
V74	qn23	Most of the time or always were so worried about something that they could not sleep at night	Percentage of students who most of the time or always were so worried about something that they could not sleep at night (during the 12 months before the survey)
V75	qn24	Seriously considered attempting suicide	Percentage of students who seriously considered attempting suicide (during the 12 months before the survey)

ID	Name	Label	Question
V76	qn25	Made a plan about how they would attempt suicide	Percentage of students who made a plan about how they would attempt suicide (during the 12 months before the survey)
V77	qn26	Attempted suicide	Percentage of students who attempted suicide (one or more times during the 12 months before the survey)
V78	qn27	Did not have any close friends	Percentage of students who did not have any close friends
V79	qn28	Tried a cigarette before age 14 years	Percentage of students who tried a cigarette before age 14 years (for the first time among students who ever smoked cigarettes)
V80	qn29	Currently smoked cigarettes	Percentage of students who currently smoked cigarettes (on at least 1 day during the 30 days before the survey)
V81	qn30	Currently used any tobacco products other than cigarettes	Percentage of students who currently used any tobacco products other than cigarettes (on at least 1 day during the 30 days before the survey)
V82	qn31	Tried to quit smoking cigarettes	Percentage of students who tried to quit smoking cigarettes (among students who smoked cigarettes during the 12 months before the survey)
V83	qn32	Reported that people smoked in their presence	Percentage of students who reported that people smoked in their presence (on one or more days during the 7 days before the survey)
V84	qn33	Had parents or guardians who used any form of tobacco	Percentage of students who had parents or guardians who used any form of tobacco
V85	qn34	Drank alcohol before age 14 years	Percentage of students who drank alcohol before age 14 years (for the first time among students who ever had a drink of alcohol other than a few sips)
V86	qn35	Currently drank alcohol	Percentage of students who currently drank alcohol (at least one drink of alcohol on at least 1 day during the 30 days before the survey)
V87	qn36	Usually drank two or more drinks per day	Percentage of students who usually drank two or more drinks per day (on the days they drank alcohol among students who drank alcohol during the 30 days before the survey)
V88	qn37	Usually obtained the alcohol they drank from friends	Percentage of students who usually obtained the alcohol they drank from friends (among students who drank alcohol during the 30 days before the survey)
V89	qn38	Ever drank so much alcohol that they were really drunk	Percentage of students who ever drank so much alcohol that they were really drunk (one or more times during their life)
V90	qn39	Ever got into trouble with their family or friends, missed school, or got into fights as a result of drinking alcohol	Percentage of students who ever got into trouble with their family or friends, missed school, or got into fights as a result of drinking alcohol (one or more times during their life)
V91	qn40	Used drugs before age 14 years	Percentage of students who used drugs before age 14 years (for the first time among students who ever used drugs)
V92	qn41	Ever used marijuana	Percentage of students who ever used marijuana (one or more times during their life)
V93	qn42	Currently used marijuana	Percentage of students who currently used marijuana (one or more times during the 30 days before the survey)
V94	qn43	Ever used amphetamines or methamphetamines	Percentage of students who ever used amphetamines or methamphetamines (one or more times during their life)
V95	qn44	Ever had sexual intercourse	Percentage of students who ever had sexual intercourse
V96	qn45	Had sexual intercourse before age 14 years	Percentage of students who had sexual intercourse before age 14 years (for the first time among students who ever had sexual intercourse)
V97	qn46	Had sexual intercourse with two or more persons	Percentage of students who had sexual intercourse with two or more persons (during their life)
V98	qn47	Used a condom	Percentage of students who used a condom (during last sexual intercourse among students who ever had sexual intercourse)

ID	Name	Label	Question
V99	qn48	Used a method of birth control other than condoms	Percentage of students who used a method of birth control other than condoms (such as withdrawal, rhythm, or birth control pills to prevent pregnancy, during last sexual intercourse, among students who ever had sexual intercourse)
V100	qn49	Were not physically active	Percentage of students who were not physically active (for at least 60 minutes per day on any day during the 7 days before the survey)
V101	qn50	Did not walk or ride a bicycle to or from school	Percentage of students who did not walk or ride a bicycle to or from school (during the 7 days before the survey)
V102	qn51	Did not attend physical education classes	Percentage of students who did not attend physical education classes (each week during this school year)
V103	qn52	Spent three or more hours per day doing sitting activities	Percentage of students who spent three or more hours per day doing sitting activities (sitting and watching television, playing computer games, talking with friends when not in school or doing homework during a typical or usual day)
V104	qn53	Missed classes or school without permission	Percentage of students who missed classes or school without permission (on one or more days during the 30 days before the survey)
V105	qn54	Reported that most of the students in their school were most of the time or always kind and helpful	Percentage of students who reported that most of the students in their school were most of the time or always kind and helpful (during the 30 days before the survey)
V106	qn55	Reported that their parents or guardians most of the time or always checked to see if their homework was done	Percentage of students who reported that their parents or guardians most of the time or always checked to see if their homework was done (during the 30 days before the survey)
V107	qn56	Reported that their parents or guardians most of the time or always understood their problems and worries	Percentage of students who reported that their parents or guardians most of the time or always understood their problems and worries (during the 30 days before the survey)
V108	qn57	Reported that their parents or guardians most of the time or always really knew what they were doing with their free time	Percentage of students who reported that their parents or guardians most of the time or always really knew what they were doing with their free time (during the 30 days before the survey)
V109	qn58	Reported that their parents or guardians never or rarely went through their things without their approval	Percentage of students who reported that their parents or guardians never or rarely went through their things without their approval (during the 30 days before the survey)
V110	qn61	Ate fruit two or more times per day in past 7 days	Percentage of students who usually ate fruit two or more times per day (during the 7 days before the survey)
V111	qn62	Ate vegetables three or more times per day in past 7 days	
V112	qn63	Drank soft drinks one or more times per day in past 7 days	
V113	qn65	Bullied at school in past 12 mos	
V114	qn66	Bullied not at school in past 12 mos	
V115	qn67	Cyber bullied in past 12 mos	
V116	qnunwtg	Were underweight	Percentage of students who were underweight (<-2SD from median for BMI by age and sex)
V117	qnowtg	Were overweight	Percentage of students who were overweight (>+1SD from median for BMI by age and sex)
V118	qnobeseg	Were obese	Percentage of students who were obese (>+2SD from median for BMI by age and sex)
V119	qnff1g	Ate food from a fast food restaurant one or more days	Percentage of students who ate food from a fast food restaurant one or more days (during the 7 days before the survey)
V120	qnff2g	Ate food from a fast food restaurant two or more days	Percentage of students who ate food from a fast food restaurant two or more days (during the 7 days before the survey)

ID	Name	Label	Question
V121	qnff3g	Ate food from a fast food restaurant three or more days	Percentage of students who ate food from a fast food restaurant three or more days (during the 7 days before the survey)
V122	qntob2g	Currently used any tobacco product	Percentage of students who currently used any tobacco product (on at least 1 day during the 30 days before the survey)
V123	qnnotb2g	Did not currently use any tobacco products	Percentage of students who did not currently use any tobacco products (on at least 1 day during the 30 days before the survey)
V124	qnbcanyg	Used a method of birth control	Percentage of students who used a method of birth control (such as condoms, withdrawal, rhythm, or birth control pills to prevent pregnancy, during last sexual intercourse, among students who ever had sexual intercourse)
V125	qnc1g	Ever had sexual intercourse among students who had drank so much alcohol that they were really drunk	Percentage of students who ever had sexual intercourse among students who had drank so much alcohol that they were really drunk (one or more times during their life)
V126	qnpa5g	Were physically active at least 60 minutes per day on 5 or more days	Percentage of students who were physically active at least 60 minutes per day on 5 or more days (during the 7 days before the survey)
V127	qnpa7g	Were physically active at least 60 minutes per day on all 7 days	Percentage of students who were physically active at least 60 minutes per day on all 7 days (during the 7 days before the survey)
V128	qnpe3g	Attended physical education classes on three or more days	Percentage of students who attended physical education classes on three or more days (each week during this school year)
V129	qnpe5g	Attended physical education classes on five or more days	Percentage of students who attended physical education classes on five or more days (each week during this school year)

Q15: Physically attacked**Data file:** PNMHq**Overview**

Valid: 2938 Invalid: 10

Type: Discrete Range: - Format: Numeric

Questions and instructions

QUESTION PRETEXT

The next question asks about physical attacks. A physical attack occurs when one or more people hit or strike someone, or when one or more people hurt another person with a weapon (such as a stick, knife, or gun). It is not a physical attack when two students of about the same strength or power choose to fight each other.

LITERAL QUESTION

During the past 12 months, how many times were you physically attacked?

CATEGORIES

Value	Category

Q51: PE attendance

Data file: PNMHq

Overview

Valid: 2867 Invalid: 81

Type: Discrete Range: - Format: Numeric

Questions and instructions

QUESTION PRETEXT

The next 3 questions ask about physical activity. Physical activity is any activity that increases your heart rate and makes you breathe hard. Physical activity can be done in sports, playing with friends, or walking to school. Some examples of physical activity are running, fast walking, biking, dancing, football, and COUNTRY SPECIFIC EXAMPLES.

LITERAL QUESTION

During this school year, on how many days did you go to physical education (PE) class each week?
